

Message on a bottle...

We are all aware of image & brand positioning in these days of increased consumer choice, that's why at Darley we want to give you an increased competitive edge.

As the leading wet-glue label supplier to the brewing, water and soft drinks markets, we've forged successful partnerships with some of the worlds best-known brands.

You make us look good & we'll make you look great!

...let it work harder

Darley - make **brands** work
